

Submission Directory Structure & Flow Task1.2  
Task 1.2: Ant Bot

**Note:**

1. Replace **<TeamID>** with your **eYRC-2018 Team ID**. For example, if your team ID is **1001**, then the main folder to be zipped should be named **1001\_Task1.2**.
2. Compress this folder to a **.zip** extension and upload it in the submission for **Task1.2** on the **e-Yantra portal** before the deadline of **midnight of 28th November 2018**.
3. The naming conventions of the files within the **“Images”** and **“Code”** folders have been described in **Task1.2** document within the **“4. Task\_Description”** folder, as well as for the **.csv** file with **metadata**. Please follow this nomenclature!
